

Save time and money processing emergency loans for both you and your students.

EMERGENCY LOAN SERVICES

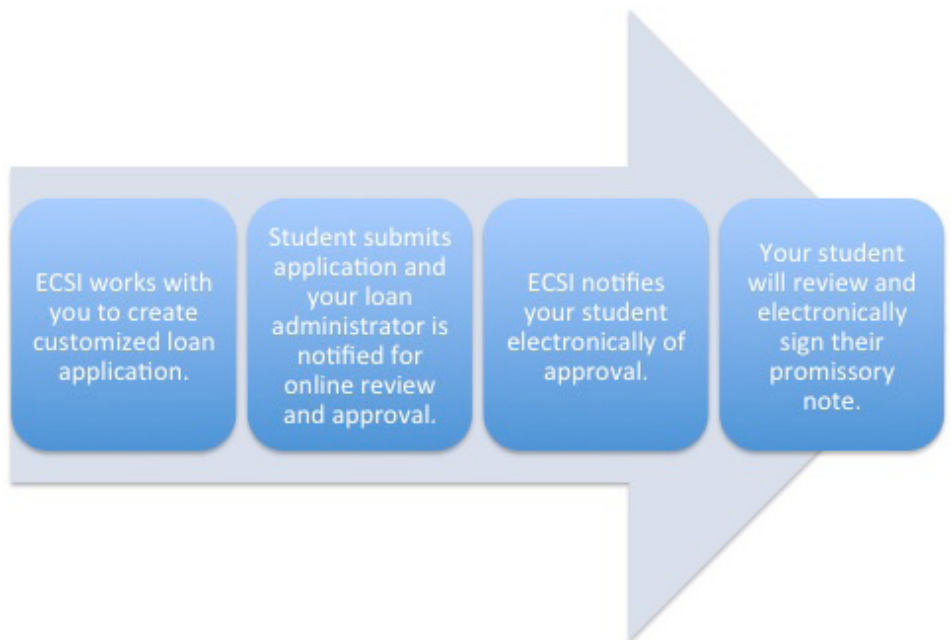

"ECSI's automated short-term loan application and eSignature process has saved our borrowers a lot of time and energy. It's also helped us streamline our internal processes and has saved us a ton of time and money. We couldn't be happier."

Our custom emergency loan origination and servicing solutions are designed to streamline the once painstaking manual process that some schools go through internally today. With ECSI's emergency loan servicing solution, the entire process (from the student profile/application through servicing and until the loan is paid in full) is automated. This makes for a convenient process for both you and your students.
