ELECTRONIC BILLING & PAYMENT SOLUTION

You already know the advantages of electronic billing and payment: Lower costs, better record keeping, fewer headaches. But what about accuracy? Availability? Security? Now there's an Electronic Billing and Payment solution you can trust.

"We are a one person shop. ECSI has saved me a considerable amount of time, while I continue to provide personal service to our borrowers. They have procedures in place to assure accuracy and security. Our accounts are much more easily balanced and auditors are pleased with the system. Their customer service and technical staff are always amazing!"

ECSI's EasyPath eBill and ePay program gives you all the benefits you want from electronic billing and payment, along with the complete assurance you need. You get a flexible, easy to use eBill/ePay solution specifically tailored to your school's requirements, seamless integration with your existing systems and unparalleled service from our friendly, highly trained client care team.

ECSI's 100% automated EasyPath solution reduces costs, boosts efficiency and speeds revenue by eliminating the expense and time delay involved in printing and mailing invoices and checks. Our flexible program enables multiple payment options, while encouraging students, parents and other payers to choose faster, less expensive electronic and automatic payments.

EasyPath's easy to use online management system gives you 100% visibility into billing and payment status, so you know exactly who owes how much and when. You can log into the system anytime, anywhere – no need to be in your office to check on the status of a payment. Unlimited online bill storage means you can easily find and view any invoice or payment record instantly.

There is no cost to your school to implement ECSI's EasyPath Electronic Billing and Payment solution, as our nominal fee is easily passed along to your payers. And, unlike many other providers who hold onto your funds for up to 25 days, ECSI delivers timely funding into your account every week. You enjoy all the advantages of centralized billing and payment, with none of the time-consuming paperwork.

ECSI's EasyPath eBill and ePay Solution... Go "green" with confidence.

ECSI's EasyPath Electronic Billing and Payment Solution gives you:

Lower costs and increased efficiency

As operating costs rise and budgets shrink, you need simple solutions to save money. ECSI's eBill/ePay solution can save your office thousands of dollars on paper, toner and postage, not to mention the time your staff spend printing and mailing statements and opening and recording payments.

Fully customized EasyPath eBill/ePay solution

Your ECSI Project Manager will work with you to tailor your Electronic Billing and Payment Solution to meet your school's specific needs and goals. ECSI understands the challenges you face and the many regulations governing educational finance, so you can trust us to develop a convenient, easy to use, fully compliant eBill/ePay solution.

Daily/Weekly Cash Transfers

ECSI lets you bank revenues faster with weekly or even daily cash transfers—up to 3 weeks sooner than many of our competitors.

Easy-to-use online management tools

Using your Electronic Billing File, EasyPath will automatically generate eBills, upload them to our web portal, and send an email to each recipient with instructions to view and pay their bill. With a click, recipients can easily submit electronic payments using our ePay service, ACH or a credit card – speeding payment to your school, reducing costs and minimizing late payments and delinquent accounts.

World-class customer care

Our highly trained EasyPath customer care team has an average 18 years of experience working directly with ECSI clients to ensure accurate, timely billing and payment. When you or one of your payers calls ECSI, they'll get a helpful, live team member—not an automated system or voicemail.

Discover how ECSI can help you lower costs, improve cashflow, reduce invoice processing time and increase on-time payments with our secure, customized EasyPath Electronic Billing and Payment solution.

Streamline all your student finance processes with ECSI's comprehensive EasyPath Service Suite:

- Electronic Billing and Payment
- Electronic Refund Management
- Tuition Payment Plans
- Partial Pay Plans
- Delinquent Recovery Management

ECSI. SERVICE NEVER RESTS.

EasyPath from ECSI makes it easy for you to offer students a convenient path toward a quality education.

You can feel confident offering EasyPath, because over 1,300 colleges and universities across America currently choose ECSI for their Student Finance services.

ECSI connects with over 5.5 million customers each year through our customer care programs. These programs represent over 6 million accounts spinning on the ECSI platform, and \$700 million entrusted to ECSI with over 3 million payments processed annually.

Some offer EasyPath for the convenience, some do for the flexibility that ECSI products offer but most do for our unparalleled commitment to service.
